PELS Publications Impact Factors

PELS has partnered with over 30 global organizations to promote the importance of peer review in publishing. If you would like to share content for a special newsletter, please email **Mary Beth Schwartz** by **Monday, 11 September**. The newsletter will be published during Peer Review Week.

- Topics can include tips for new reviewers, proper citation, the role of AI, bias in peer review, ethics, conflicts of interest, and the future of journal publishing and peer review.
- The word count should be around 500 words.
